✓ Full commitment
● Partial commitment
✗ No commitment

INFORMED CHOICES

Local governments can be powerful advocates for their communities, even on matters they don't directly control.

We asked each party hoping to win at this year's Brisbane local government election whether they will support Brisbane communities affected by aircraft noise.

BFPCA's scorecard is on the left, but you can read each party's full response on our website. Scan the QR Code below for more information.
