

# PEOPLE BEFORE PLANES

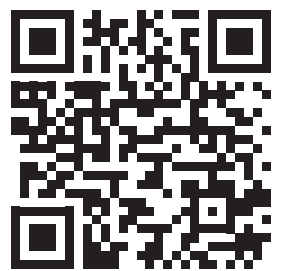

## BRISBANE IS UNRECOGNISABLE

Aircraft noise has taken over Brisbane and it's up to us to take our city back.

The sound waves made by planes, especially the low frequency waves you can't hear, are damaging your health. But we're ramping up our fight against Brisbane Airport Corporation and Airservices Australia.

Sign up to Brisbane Flight Path Community Alliance's newsletter and phone tree to be kept up to date with all our upcoming *fight back* plans.
